

Rajesh Kalladan

Assistant Professor, Plant Physiology,
Regional Agricultural Research Station
(RARS),
Pilicode-671310.
Kasarkode, Kerala.

Address:

Hrudyam, Meengoth, Ambalathara,
Pullur, kasarkode-571531.

E mail: rajesh.kalladan@kau.in
kalladanrajesh@gmail.com

RESEARCH INTEREST

My research interest includes crop yield/productivity in general and also under stress, especially, drought. I am also interested in utilizing genetic diversity for enhancing yield traits in rice.

RESEARCH EXPERIENCE

Assistant Professor- Plant Physiology, Kerala Agriculture University Since 2021
Assistant Professor- Plant Physiology (contract)- RARS, Pilicode- 2018- 2020

Postdoctoral fellow

1. Institute of Plant and Microbial Biology, Academia Sinica, Taipei 2013-2017
2. Stress Genomics Group, Department of Molecular Genetics, IPK, Germany. 2012

Senior Research Fellow

Department of Plant Molecular Biology, International Centre for Genetic Engineering and Biotechnology, New Delhi, India.

Junior Research Fellow 2004-2007

Department of Microbiology, Central Food Technological Research Institute, Mysore, India.

EDUCATION

PhD in Plant Biology- 2013

Institute of Plant Genetics and Crop Plant Research (IPK), Gatersleben, Germany.

Master in Crop Physiology- 2004.

University of Agricultural Sciences (UAS), Bangalore, India.

Bachelor in Agriculture- 2001

Pandit Jawaharlal Nehru College of Agriculture and Research Institute, Karaikal, India.

AREA OF SPECIALIZATION

Crop yield, drought

RESEARCH PROJECTS

SRG-SERB-2022. Understanding the molecular mechanism of dwarfism in the cashew variety, Nihara using Bulk segregant RNA sequencing.
